Unless you want to know why negotiations breakdown, communications go wrong, and relationships flounder.

Just how do you come across to your clients, friends, family?

Dr. Goodfield will provide a glimpse into our messages and discuss how that impacts on our outcome. A video analysis will illustrate the point, that the picture we present, is worth a lot of words.

Mental health professionals, consultants, headhunters, law enforcement officers, military personnel and diplomatic officials have all participated and benefited,
